45th Meeting of the Governing Body

10th July 2015, NS NIS Patiala

Supplementary Agenda

Use of Dr. Karni Singh Shooting Ranges for Weapon training for issue of Weapon Handling Certificate

Dr. Karni Singh Shooting Range is the only range available for shooters in Delhi and the adjoining districts of Delhi like Noida, Gautam Buddha Nagar, Gurgaon etc. Persons seeking licence for fire arms for security, self defence, protection or any other provision as per the Arms Act have to be aware of weapon handling as it is one of the requisite for getting/renewal of arms licence. Dr. KSSR may be utilised for such training and by doing so it will also generate revenue keeping in view that there is no such facility in the close vicinity of Delhi.

A meeting was held with President, National Rifle Association of India and it was confirmed that weapon handling could be taught without ammunition i.e. dry practice. The training may be conducted either in conference hall or final range. While SAI will provide the infrastructure facility, NRAI will provide Technical officials, manpower and material for conducting the programme. SAI will not have any role in issuance of the certificate.

The following tariff is proposed for utilisation of the range for purpose mentioned above on 50:50 sharing basis with NRAI:

- Rs 2000/- + tax from persons seeking Weapon Handling Certificate from NRAI.

Submitted for approval of the Governing Body.
