The purpose of such demerger is the development of the Institute as an institute for excellence for coaching education.

DG, SAI opined that the new Institute for Coaching Education may be set up and it should have its own personnel through creation of new posts and also physical facilities, for which vacant land is available at the present premises of NSNIS, Patiala. Uptil the time physical facilities are established, the new Institute and SAI would enter into a mutual arrangement for utilization of the facilities, both for the purposes of training of elite sports persons by SAI and for coaching education by the new Institute.

9.4 Addl. Secretary (Expenditure) desired that when the proposal for creation of this Institute is floated, the justification should be brought out in detail and that resolutions which are proposed to be taken in this meeting, should only be effective after the Institute starts functioning, otherwise, a situation will arise in which neither SAI nor any other institute will have the mandate to carry on the present activities at NSNIS, Patiala.

9.5 The following was resolved by all the members present :-

"RESOLVED that subject to the approval of the Central Government (Government of India) and confirmation as per the provisions of the Societies Registration Act, 1860 as applicable to the State of Delhi, clause 3 of the Memorandum of Association of the Society be altered by deletion of the following sub-clause (xi) :

9.6 It was also decided that the above deletions/additions and resolutions will only take effect after the new Institute styled as 'Netaji Subhas National Institute of Coaching Education' is registered and starts functioning. For this purpose, the MYAS will notify on the date of effectiveness.

10.0 Item No. IX: TARIFF CHARGES OF SAI STADIA AT DELHI

10.1 DG, SAI briefed that a new tariff structure for the re-developed 5 stadium complexes, for which SAI is the custodian (i.e., J.N. Stadium, I.G. Stadium, Major Dhyan Chand National Stadium, Dr. Shyama Prasad Mukherjee Swimming Pool Complex and Dr. Karni Singh Shooting Ranges), has been introduced with the approval of Chairman, Governing Body, SAI. DG also briefed about the details of the tariff structure which is essentially aimed at promoting optimum usage of the stadium and promotion of sports including holding of competitive sports. It will also lead to revenue generation for SAI.

10.2 The following modifications were also approved :-

- a) Under Category 2, while rental charges of only Rs. 1,000/- per day are to be charged for the FOP, only 1 room and 2 change-rooms may be provided. Any additional requirement of rooms will have to be charged as per charges for Category 4.

- b) It has been provided that for Category 2 and 3, 25% of the sponsorship and Gate Money (Ticket) would be paid by the organizers to SAI. Organizers may retain 75%. Considering that Category 2 and Category 3 are essentially for development of sports and only for mandatory championships organized by National Sports Federations and that since these are mostly in deficit and organized on non-commercial lines and the sponsorship/gate money is largely used to meet the deficit, this may be dropped, i.e., no revenue share on sponsorship/gate money may be asked.
- c) For similar reasons as indicated in para (b) above, the charges for sponsor banners should be rationalized and reduced. Accordingly, for sponsor banners of size 2.5 ft. x 4 ft. and above, a charge of Rs. 250/- per banner per day may be charged.
- d) Under Category 5, besides the Corporate Houses, any non-mandatory sports competition organized by the National Sports Federations on commercial lines would also attract rates as per Category 5, spelt out in Appendix 'Z'. SAI will list out the mandatory and non-mandatory sporting events with the approval of DG and in case of dispute, his decision would be final. Similarly, if there is a dispute whether the competition is being organized on commercial lines or not, DG,SAI would arbitrate and his decision would be final.

10.3 It was resolved that :-

“The Governing Body ratifies the approval of revision of tariff of various facilities in all five stadia in Delhi by the Chairman, Governing Body, SAI, with effect from October 20, 2011, with modification as at para 10.2 above. ”

16.0 Item No. XV: FINALIZATION OF PUBLIC WORKS ORGANIZATION (PWD) UNDER GFR 126 TO UNDERTAKE MAINTENANCE AND REPAIR (COMPREHENSIVE SERVICES) OF THE FIVE (5) DELHI STADIUM COMPLEXES

16.1 DG, SAI briefed the members that all the five stadia complexes in Delhi were being maintained through CPWD as 'deposit works' being a Public Works Organization (PWO) as per GFR 126 (2). These stadia have facilities for hosting multiple sports and were built to very high standards for hosting international level competitions/events. The standard of maintenance of these stadia has to be maintained at the same level since these would continuously be used both for training of beginners/elite sports persons and also for hosting of national/international level competitions. The maintenance of such complicated and large structures requires special expertise and it is essential that high standards are continuously maintained. There is also a requirement to have more than one agency, both for maintaining a healthy competition and for cross-germination of best practices. GFR 126 (2) provides for other PWOs also and NBCC is also a PWO being a public sector organization owned and controlled by Govt. of India under the Ministry of Urban Development.

16.2 It was proposed to the 59th Finance Committee to give the work of maintenance and operation of SAI stadia complexes to both CPWD and NBCC. After considering the proposal, the Finance Committee resolved the following :-

"The Finance Committee concurred with the proposal for the approval of Governing Body to undertake Maintenance/operation and Repair (Comprehensive services) of J.N. Stadium Complex & Dr. Shyama Prasad Mukherjee Swimming Pool complex through NBCC and of Indira Gandhi Stadium Complex, Major Dhyana Chand National Stadium & Dr. Karni Singh Shooting Ranges through CPWD(only civil, electrical and horticulture)."

It was also decided that :-

- a) The percentage of departmental charges to be levied on the actual cost should be decided through mutual consent between concerned agencies and SAI.
- b) There should be a third party performance audit on the working of both the organizations.

16.3 The proposal was discussed in detail by officials of SAI with CPWD and NBCC. While CPWD indicated that it will not levy departmental charges, NBCC agreed to provide comprehensive services with departmental charges of 20% (including service tax) on the sanctioned estimate. NBCC also expressed reluctance to provide security services with no departmental charges and indicated that it would charge 20% departmental charges even for DGR sponsored security services.

16.4 The Governing Body discussed the proposal and approved the following :-

- (a) Engagement of CPWD as PWO within the meaning of Rule 126 (2) of GFRs, 2005, for taking up maintenance and repair services (Civil, Electrical and Horticulture) for the I.G. Stadium Complex, Dr. Karni Singh Shooting Ranges and Major Dhyan Chand National Stadium, with no departmental charges. Other services like Cleaning, Watch & Ward, etc., would continue to be provided by SAI.
- (b) Engagement of NBCC as PWO within the meaning of Rule 126 (2) of GFRs, 2005, for taking up comprehensive services (Civil, Electrical, Horticulture, Cleaning) for J.N. Stadium Complex and Dr. Shyama Prasad Mukherjee Swimming Pool Complex at departmental charges of 20% (excluding service tax). The Watch & Ward service would continue to be provided by SAI.
