Thereafter, the agenda items were taken up for consideration and after deliberations, the following decisions were taken:

6.0 Item No. 1
Confirmation of the Minutes of the 67th Meeting of the Finance Committee (FC) of Sports Authority of India (SAI) held on April 23 and May 8, 2014

The Finance Committee confirmed the minutes of the 67th meeting of FC.

7.0 Item No. 2
Approval for Re-allocation of Budget Allocation (2014-15) of Sports Authority of India (SAI)

The change in re-provisioning was permitted subject to there being clear orders regarding pensionability of posts covered where recruitment had been done prior to 1.1.2004.

8.0 Item No. 3
Approval of Annual Accounts and Financial Statement (2013-14) of Sports Authority of India (SAI)

Since Annual Accounts are based on facts, they were accepted. The audit on Annual Accounts (2013-14) may be taken up as per procedure. However, SAI was asked to bring a statement of expenditure against allocations, along-with explanations regarding large variations, to the next meeting.

9.0 Item No. 4
Procurement of Fitness Equipment (8 sets) and Treadmills (46 Nos.)

It was noted that fitness equipment was needed for a number of facilities from time to time. It was, therefore, felt that it would be more efficient to finalize a rate contract for such equipment on annual basis. While that exercise would start now so that a rate contract was available from the next year, the current proposal was approved, subject to SAI undertaking appropriate price discovery.

10.0 Item No. 5
Supply & Installation of Shooting Range Equipment at Bangalore

It was clarified that shooting range equipment was needed both at the SAI Centre in Bangalore as well as Dr. Karni Singh Shooting Ranges. Therefore, the proposal was approved. SAI was asked to explore ways and avenues for developing indigenous facilities for manufacture of equipment to be used in non-event venues.

11.0 Item No. 6
Approval for creation of 400 bedded dormitory at J N Stadium and letting out of space to Government organizations /National Sports Federations

It was felt that J N Stadium was a valuable asset that was sub-optimally utilized. It would be desirable to re-fit existing non-sports space to serve as conference and exhibition facilities with some space being used for sports related activities like sports persons' dormitories and offices of various National Sports Federations. Hiring out of space for conferencing, exhibit and similar activities would need to be priced optimally so as to generate revenues for SAI which could be used to strengthen sports infrastructure and undertake other sports linked activities. It was suggested that SAI could take the help of Cost Accounts Branch in Department of Expenditure (DoE), MoF to work out optimal rates, taking into account the capacity of potential clients to pay, the cost of maintenance and security of the stadium plus appropriate revenues for SAI.

12.0 Item No. 7
Non-Sports Booking of SAI Stadia- allowing all types of events including marriage functions

It was noted that this proposal did not fall into the mandate of the Finance Committee. This being administrative decision will be placed before the Governing Body for ratification.

Such candidates will be nominated on the basis of qualification criteria to be prepared by SAI.

Agenda Item No. 3

Accounting & Financial Reforms in SAI- Development of Finance and Accounts Manual of SAI in-house

The agenda item for development of Finance and Accounts Manual was approved by the Finance Committee in its 64th Meeting held on July 9, 2013. It was suggested that the general accounting and finance package developed by INGAF may be procured and tweaked or modified to suit the purposes of SAI. The FA (MYAS) suggested that she would use her good offices to arrange a meeting of the concerned people from the Department of Expenditure. Further, DG SAI was authorized to assess whether such a modified package would be useful for SAI or not and take appropriate decision on the future course of action.

The same was also placed before the Governing Body in its 40th Meeting of Governing Body held on July 24, 2013 and the same was approved. Accordingly, the job for development of Finance and Accounting Manual was entrusted to INGAF with a time line of 3 months. Unfortunately, INGAF did not do anything concrete despite putting lot of efforts by SAI rather it delayed the reform initiatives. The matter was also discussed with FA (MYAS) being the member of Finance Committee by Executive Director (Finance) and it was decided that the work may be withdrawn from INGAF.

In the meantime two retired officers have been engaged by SAI recently and they possess the expertise in this matter. Therefore, with the approval of DG, SAI it was decided to develop the manuals in house.

Concurrence of Finance Committee is solicited for

Development of Finance and Accounts Manual of SAI in-house.

Initially Rs. 1.50 crore was sanctioned for procurement of Sports Science Equipment. Later on additional budget of Rs. 5.00 crore was provided thus, making the total budget allocation of Rs. 6.50 crore for the financial year 2014-15. It is a known fact that sports science back up is very crucial for monitoring performance, suggesting methods of recovery & performance enhancement. Keeping in view the above fact, a detailed survey was done by a committee headed by the then ED (A) and a proposal was received for Rs. 33.00 crore (approx.) for all the SAI Regional Centres & Academic Institutions. Later on 5 centres in SAI were identified as priority centres where Sports Science Laboratory is to be equipped properly on urgent basis. The Demand from Medical Centre, JNS, New Delhi was received earlier when allocation was 1.50 crores and thus processed, Bids for the same have been opened on 14.10.2014 for technical evaluation and further necessary action.

The demand of other four centres viz. Regional Centre at Bangalore, Sonapat, Bhopal and NS NIS, Patiala, with estimated cost of Rs. 380.74 lakhs were received later and the details of which are as under:
