1.0 SPORTS IN INDIA: AN INTRODUCTION

Sport is part of every man and woman's heritage. Since the dawn of civilization, people have strived to gain physical perfection and strength to protect and expand their interests as also to earn respect amongst their peers. Sports like archery, wrestling, javelin and discus throwing gained popularity and were institutionalized as annual events. Many of the present day Olympic disciplines are sophisticated versions of the games involving strength and speed that were common in ancient India and Greece.

The history of sports in India can be traced back to the Vedic era. We also find origins of the *Guru-Shishya parampara in mention of* the of ashrams, where renowned masters of the day taught their students martial skills but also engrained them with qualities required of a good human being and a leader. The high esteem in which these gurus were held, and the skills of Arjuna in archery, of Yudhishtir in Javelin throwing, and the strength of Bhima are now part of the Indian folklore.

In Villas Mani Manjri, Tiruvedacharya describes many of these games like archery, chariot - racing, equitation and hammer - throwing in detail. In *Manas Olhas* (1135 AD.), Someshwar writes at length about *bharashram* (weight - lifting), *bharamanshram* (walking), both of which are established Olympic disciplines at present. Sports activities in India have been mentioned in the writings of Chinese travellers Hieun Tsang and Fa Hien. Swimming, sword - fighting (fencing), running, wrestling and ball games were immensely popular among the students of Nalanda and Taxila. In the 16th century, a Portuguese ambassador who visited Krishnanagar was impressed by the range of sports activity, and the many sports venues in the city. King Raja Krishnadev was himself an ace wrestler and horseman. It is widely believed that unarmed Buddhist monks traveling to unknown hostile areas learned Kerala's Kalari Payattu to defend themselves, and were responsible to spread this martial art form in the far East where it evolved into the modern forms of Kung Fu, Karate and Judo.

India has endeavored to keep alive its ancient sporting traditions through indigenous games and martial arts, which are displayed in their full glory at festivals and local fairs. In the twentieth century, India made a name for itself as a power to be reckoned with in the sports of Hockey. In recent years, cricket appears to have become the most popular sport in India. As per the Indian Constitution, sports is a State Subject. Availability of resources, priorities of development and interest in sports has differed from State to State, as a result of which, no uniform development of sports could take place across the country. However, the Department of Sports (MYA&S) directly, and through its implementing arm, the Sports Authority of India, is working assiduously towards promoting modern competitive games and supplementing efforts of the States in development and promotion of sports and sports excellence. The objective is to cast a wider net to scout sports talent and nurture them to achieve excellence at National and International level. When Indian sports persons go abroad to participate in international events, they go there as ambassadors of brand India and representatives of a country on the move. It is imperative that our participants reflect the power, vibrancy and confidence of winners.

1.1 SPORTS AUTHORITY OF INDIA

The decision to host the IX ASIAN Games at Delhi gave a phenomenon boost to the development of sports in India. Besides building of new sports infrastructure in New Delhi, the Games themselves generated a lot of enthusiasm in general and the sports community in particular. The Games also exposed India to fresh ideas in the sphere of sports training, scientific support, sports management etc. In order to capitalize on this newly generated interest and momentum in sports, the Government of India established the Sports Authority of India (SAI) in 1984 as an Autonomous Body, which was set up as a Society registered under the Societies' Registration Act, 1860. In order to facilitate development of SAI as a robust sports promotion body, necessary knowledge and skills in the field of sports coaching and physical education were incorporated by amalgamating the erstwhile Society for National Institutes of Physical Education & Sports (SNIPES) consisting of Netaji Subhash National Institute for Sports (NSNIS), Patiala and its Centres along with two other institutes Lakshmibai National College of Physical Education (LNCPE) located at Gwalior and Thiruvananthapuram respectively, with SAI w.e.f. 1st May, 1987. The LNCPE, Gwalior was, however, delinked from SAI in September, 1995 on attaining the status of a "Deemed University". SAI, today, stands out as an apex body for promotion of sports and sports excellence in the country.

- i) Heads of Accounts in Standard Formats be adopted with changes, where necessary, depending on the nature of activities without disturbing the basic structure.
- ii) Balance Sheet shows what the entity `owns' and what it `owes.' GPF accounts, therefore, cannot therefore be part of SAI's accounts. However, since it is managed by SAI, a separate Balance Sheet, Income & Expenditure Account (on accrual basis) and Receipts and Payments accounts for GPF Account should be prepared and attached to the main accounts.
- iii) The expenditure side of the Income & Expenditure account should have the heads - Establishment Expenses, Expenditure against core activity with appropriate heads, Administrative Expenses, Repairs & Maintenance. For each of these, there should be a Schedule in which major sub-heads are given in the first column, expenditure against the sub-head under Plan in the second column, expenditure against the sub head under Non Plan in the third column and the total in the last column. The last column's vertical total will be the figure in the I&E account.

Depreciation from Inception to 2004-05 not provided. The value of Assets shown in the Balance Sheet thus includes partially depreciated assets. The Balance Sheet does not therefore present a true & fair view of the state of affairs. This should be updated.

- iv) Specimen Grants Schedule and Sub Schedule (of Schedule of Establishment expenses) for Retirement Benefits are provided in Taxmann's Accounting Handbook for Central Autonomous Organizations & Universities. This should be provided in the accounts.

10.0 Item No. IX: TARIFF CHARGES OF SAI STADIA AT DELHI

10.1 DG, SAI briefed that a new tariff structure for the re-developed 5 stadium complexes, for which SAI is the custodian (i.e., J.N. Stadium, I.G. Stadium, Major Dhyan Chand National Stadium, Dr. Shyama Prasad Mukherjee Swimming Pool Complex and Dr. Karni Singh Shooting Ranges), has been introduced with the approval of Chairman, Governing Body, SAI. DG also briefed about the details of the tariff structure which is essentially aimed at promoting optimum usage of the stadium and promotion of sports including holding of competitive sports. It will also lead to revenue generation for SAI.

10.2 The following modifications were also approved :-

- a) Under Category 2, while rental charges of only Rs. 1,000/- per day are to be charged for the FOP, only 1 room and 2 change-rooms may be provided. Any additional requirement of rooms will have to be charged as per charges for Category 4.
- b) It has been provided that for Category 2 and 3, 25% of the sponsorship and Gate Money (Ticket) would be paid by the organizers to SAI. Organizers may retain 75%. Considering that Category 2 and Category 3 are essentially for development of sports and only for mandatory championships organized by National Sports Federations and that since these are mostly in deficit and organized on non-commercial lines and the sponsorship/gate money is largely used to meet the deficit, this may be dropped, i.e., no revenue share on sponsorship/gate money may be asked.
- c) For similar reasons as indicated in para (b) above, the charges for sponsor banners should be rationalized and reduced. Accordingly, for sponsor banners of size 2.5 ft. x 4 ft. and above, a charge of Rs. 250/- per banner per day may be charged.
- d) Under Category 5, besides the Corporate Houses, any non-mandatory sports competition organized by the National Sports Federations on commercial lines would also attract rates as per Category 5, spelt out in Appendix 'Z'. SAI will list out the mandatory and non-mandatory sporting events with the approval of DG and in case of dispute, his decision would be final. Similarly, if there is a dispute whether the competition is being organized on commercial lines or not, DG,SAI would arbitrate and his decision would be final.

10.3 It was resolved that :-

“The Governing Body ratifies the approval of revision of tariff of various facilities in all five stadia in Delhi by the Chairman, Governing Body, SAI, with effect from October 20, 2011, with modification as at para 10.2 above. “

- 16.1 DG, SAI briefed the members that all the five stadia complexes in Delhi were being maintained through CPWD as ‘deposit works’ being a Public Works Organization (PWO) as per GFR 126 (2). These stadia have facilities for hosting multiple sports and were built to very high standards for hosting international level competitions/events. The standard of maintenance of these stadia has to be maintained at the same level since these would continuously be used both for training of beginners/elite sports persons and also for hosting of national/international level competitions. The maintenance of such complicated and large structures requires special expertise and it is essential that high standards are continuously maintained. There is also a requirement to have more than one agency, both for maintaining a healthy competition and for cross-germination of best practices. GFR 126 (2) provides for other PWOs also and NBCC is also a PWO being a public sector organization owned and controlled by Govt. of India under the Ministry of Urban Development.

- 16.2 It was proposed to the 59th Finance Committee to give the work of maintenance and operation of SAI stadia complexes to both CPWD and NBCC. After considering the proposal, the Finance Committee resolved the following :-

“The Finance Committee concurred with the proposal for the approval of Governing Body to undertake Maintenance/operation and Repair (Comprehensive services) of J.N. Stadium Complex & Dr. Shyama Prasad Mukherjee Swimming Pool complex through NBCC and of Indira Gandhi Stadium Complex, Major Dhyan Chand National Stadium & Dr. Karni Singh Shooting Ranges through CPWD(only civil, electrical and horticulture).”

It was also decided that :-

- a) The percentage of departmental charges to be levied on the actual cost should be decided through mutual consent between concerned agencies and SAI.
- b) There should be a third party performance audit on the working of both the organizations.

16.3 The proposal was discussed in detail by officials of SAI with CPWD and NBCC. While CPWD indicated that it will not levy departmental charges, NBCC agreed to provide comprehensive services with departmental charges of 20% (including service tax) on the sanctioned estimate. NBCC also expressed reluctance to provide security services with no departmental charges and indicated that it would charge 20% departmental charges even for DGR sponsored security services.

16.4 The Governing Body discussed the proposal and approved the following :-

- (a) Engagement of CPWD as PWO within the meaning of Rule 126 (2) of GFRs, 2005, for taking up maintenance and repair services (Civil, Electrical and Horticulture) for the I.G. Stadium Complex, Dr. Karni Singh Shooting Ranges and Major Dhyan Chand National Stadium, with no departmental charges. Other services like Cleaning, Watch & Ward, etc., would continue to be provided by SAI.
- (b) Engagement of NBCC as PWO within the meaning of Rule 126 (2) of GFRs, 2005, for taking up comprehensive services (Civil, Electrical, Horticulture, Cleaning) for J.N. Stadium Complex and Dr. Shyama Prasad Mukherjee Swimming Pool Complex at departmental charges of 20% (excluding service tax). The Watch & Ward service would continue to be provided by SAI.
- (c) Engagement of NBCC for a period of 2 years, i.e., upto March, 2014, was approved. Two years was approved since one year was short to assess the functioning of NBCC. Before extending this engagement beyond March, 2014, an assessment/evaluation of the quality of services provided by NBCC alongwith other options may be made. Further, an exit clause may be incorporated in the MoU to be signed with NBCC that in case their services are found to be of desired standards, then their engagement can be terminated with adequate notice.

17.0 Item No. XVI: MAINTENANCE AND OPERATION OF SAI STADIA IN DELHI (CIVIL, ELECTRICAL AND HORTICULTURE) FOR THE FINANCIAL YEAR 2011-12 AT AN ESTIMATED COST OF RS. 15.53 CRORES

17.1 Secretary, SAI intimated that CPWD had provided an estimate of Rs. 15.53 crores for maintenance and operation (Civil, Electrical and Horticulture) for the five stadium complexes for the year 2011-12.

17.2 Addl. Secretary (Expdt.) observed that options for providing the services under a PPP mode should also be explored. The representative of FICCI also supported this. It was decided that FICCI would be asked to give specific suggestions on providing maintenance under the PPP model.

17.2 The matter was also placed before the Finance Committee in its 59th meeting and the following resolution was made :-

“CPWD has provided a revised estimate for Rs. 15.53 crore (Civil, Electrical and Horticulture) on September 19, 2011(letter dated September 16, 2011) against the earlier estimates of Rs. 31,36,73,650/- for Maintenance/operation and repair works for the 5 Stadia complexes. The Finance Committee concurred with the proposal for the approval of Governing Body for maintenance and operation of SAI Stadia in Delhi through CPWD and NBCC subject to overall expenditure to be kept within the limit of revised estimates of Rs. 15.53 crore for the year 2011-12 now submitted by CPWD for all five stadia complexes.”

17.3 **The proposal was concurred with ex-post-facto and approved by the Governing Body.**

18.0 Item No. XVII: IMPLEMENTATION OF ‘COME & PLAY’ SCHEME IN ALL SAI CENTRES ACROSS THE COUNTRY

18.1 The ‘Come & Play Scheme’ was soft launched from October 01, 2011 in all SAI Centres across the Country and was formally launched on October 09, 2011.

18.2 The Finance Committee had considered this proposal and have concurred for taking up of the scheme as per guidelines issued, with the following conditions :-

(a) The Day Boarding component of the STC/SAG scheme be modified to limit the financial entitlements as an incentive only to high performers i.e first 3 position holders in National/State Championship and those who represent the State in National Championship for team sports.

(b) The expenditure on the scheme would be met within the budget provided to SAI under Block grants and no additional assistance would be provided for the Scheme.

18.3 The matter was discussed. The members expressed that the task of training large number of children, while very good on one side, also requires trained coaches. There being a shortage of regular coaches in SAI, various options would be explored like engagement on an honorary basis of eminent sports persons, Govt. employees, public sector employees, parents, etc. In this regard, the Chairman mentioned that he has already addressed letter to important Ministers in the Govt. of India about sparing of services of sportspersons

employed under the Sports Quota. Some members also suggested that the scheme may be given publicity and the local communities may be sensitized about its importance.

18.4 It was also emphasized that time slots for the scheme should be so fixed in SAI so as not to interfere with the training of the hostellers/inmates who were provided with advanced training.

18.5 The issue of SAI's role in providing assistance to sportspersons of special needs should also be indicated. A status report on this may be placed in the next meeting of the Governing Body.

18.6 The proposal was concurred and approved by the Governing Body subject to conditions as at para 18.2 above.

19.0 Item No. XVIII: IMPLEMENTATION OF THE SCHEME "COME AND PLAY" IN SAI STADIA, DELHI

19.1 The "Come and Play" Scheme was launched in Delhi stadia in phases in May/June, 2011 through issue of guidelines.

19.2 The Chairman desired that two competitions in a year, preferably during the Summer and Winter vacations, may be held in Delhi, as are being held for the SAI Centres outside Delhi.

19.3 The issue of permission to outside coaches who are registered with other Govt. agencies like DDA, etc., was also raised. It was decided that a proper arrangement may be worked out so that such coaches are available in SAI Centres/Stadia, but the training arrangement is not disturbed.

19.4 The matter was placed before the Finance Committee in the 59th meeting held on September 19, 2011, where the following resolution was taken :-

(a) The expenditure on the scheme would be met within the budget provided to SAI under Block grants and no additional assistance would be provided for the Scheme.

(b) The issue of complimentary membership as detailed in para 6.1 of agenda item should not be a part of the scheme.

(c) NIS diploma course was revised for 2011-12 by including two months paid practical training. NIS diploma course should be revised to include further training to cover the requirement of scheme on some payment for the year, preferably upto February of the next year, in addition to two months of free practical training.

19.5 The proposal was concurred and approved by the Governing Body.

20. Item No. XIX: AMENDMENT TO RECRUITMENT RULES FOR THE POST OF ASSISTANT DIRECTOR (LIMITED TO 5 POSTS)

20.1 Secretary, SAI informed that there is a tremendous shortage of Assistant Directors which is the entry level of Executive Cadre Group 'A' in SAI, and no direct recruitment has taken place since the year 1994-95. To mitigate the

situation, it was decided to make direct recruitment for 05 (Five) posts by relaxing/amending the existing

Recruitment Rules (RRs) as per the following :-

- i) Graduate from recognized university
- ii) The selection will be made amongst the applicants who had appeared in the Civil Services (Preliminary) Examination, 2010 conducted by UPSC, and were short listed/passed this examination for appearing in the Civil Services (Main) Examination, 2010 again conducted by UPSC.
- iii) A merit list would be prepared amongst those who apply for the post based on the total marks secured in all the subjects, i.e total of the marks in General Knowledge, Essay and the two optional subjects taken together in the Civil Services (Main) Examination, 2010 conducted by UPSC. Candidates would be selected only on the basis of the merit list prepared on the basis of these marks.

20.2 FA (Sports), MYAS and JS (Sports), MYAS raised the issue regarding availability of posts and the relevant pay scale. It was decided that the position of existence of posts and pay scale may be confirmed before taking up the recruitment.

20.3 Further amendment of RRs was also discussed and suggestions were placed that the RRs may be amended to only limiting the participation in sports to Olympic sports disciplines.

20.4 After discussion, the following proposal was approved, subject to para 20.2 above :-

- i) Direct recruitment as per the relaxed/amended RRs, may be made for only 5 posts of Assistant Director taking into account the requirement of reservations as per extant Govt. rules. Other posts may filled up as per the original RRs.
- ii) A separate agenda item may be brought, if any amendment as per suggestions received on limiting sports disciplines, etc., is required.

21. Item No. XX: RE-CONSTITUTION OF PERSONNEL ADVISORY COMMITTEE (PAC) OF SAI

**SEPARATE AUDIT REPORT OF THE COMPTROLLER & AUDITOR
GENERAL OF INDIA ON THE ACCOUNTS OF SPORTS AUTHORITY
OF INDIA FOR THE YEAR ENDED 31ST MARCH 2012**

1. We have audited the attached Balance Sheet of Sports Authority of India (SAI) as at 31 March 2012, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date, under Section 20 (1) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2011-12. These financial statements are the responsibility of the SAI's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observation on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that:
 - i We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - ii The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance.
 - iii In our opinion, proper books of accounts and other relevant records have been maintained by the SAI in so far as it appears from our examination of such books.
 - iv We further report that

A. Balance Sheet

A.1 Liabilities

A.1.1 Provisions (Sch 7H – Rs 77.51 crore and 7 J – Rs. 52.50 crore)

A.1.1.1 SAI had made a provision of Rs 130.01 crore (Rs 122.51 crore as provision and Rs. 7.50 crore as accrued interest) for liability towards pension, gratuity and leave encashment in its accounts under Schedule 7(H) and 7(J) upto 2011-12. However, it was found that the said provision had not been made on the basis of any actuarial valuation.

A.1.2. Current Liabilities (Sch 7A)- Rs. 0.30 Lakh

SAI has neither made payment of Rs. 65.49 crore (CCTV/Cameras/Tetrasets etc.) relating to CWG 2010 nor depicted it in the Balance Sheet as liabilities (relating to 2010-11). This was also pointed out in previous Separate Audit Report.

A.2 Assets

A.2.1 Investment – Others (Sch.10) –Rs. 148.95 crore

The investments were not made as per the pattern prescribed by the Ministry of Finance vide notification No.F-5 (88)/2006-PR dated 14.8.2008

A.2.2 GPF and GSLIS Premium (Sch 11 J) Rs. 69.76 lakh

There was difference in opening and closing balances in the Schedule – 11(J) – Current Assets Loans and Advances, (GPF and GSLIS Premium) as detailed below:-

(Rs. In Lakh)

Head	Closing Balance as on 31.03. 2011	Opening Balance as on 01.04.2011	Difference
GPF	21.67	(-)44.92	66.59
GSLIS	39.81	47.47	7.66

A.2.3 Opening balances under different accounts did not match with the corresponding closing balances of last year as detailed below:-

1.		Income Tax/TDS	5,42,965.00	42,39,227.69

Sl. No.	Schedule	Details of the Account	Opening Balance as on 01.04.2011	Closing Balance as on 31.03.2011

10		TDS payable by SAI	8,45,97,453.00	8,38,56,037.00

Difference in figures needs reconciliation.

B. General

B.1 Fixed Asset Schedule was not in accordance with Common Format of Accounts as it did not exhibit the Block-wise representation of the assets i.e Gross Block, Depreciation and Net Block and position at the end of the last year etc. Further, total value of the ‘Capital work in Progress’ at the end of the year was Rs. 370.79 crore. It was observed that this figure merely represented advance made by SAI to the construction agencies and there had been no adjustment out of this advance in the last two years.

C. Grants-in-aid

During the year 2011-12, SAI received grants-in-aid of Rs.307.08 crore (Plan : Rs.235.90 crore, North East Region Rs. 31.01 crore and Non-Plan: Rs.40.17 crore) from the Ministry of Youth Affairs & Sports. It had an opening balance of Rs. 24.35 crore (Plan Rs. 19.11 crore and Non-Plan Rs. 5.24 crore). Out of total grant, SAI utilized Rs. 290.13 crore Plan Rs. 213.77 crore, North East Region Rs. 36.19 crore and Non-Plan Rs. 40.17 crore) leaving a balance of Rs. 41.30 crore (Plan Rs. 41.24 core and Non Plan Rs. 0.06 crore).

D Management letter:

Deficiencies which have not been included in the Audit Report have been brought to the notice of the SAI through a Management letter issued separately for remedial/ corrective action.

- v. Subject to our observation in the preceding paragraphs, we report that the Balance Sheet Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.
- vi In our opinion and to the best of our information and according to the explanations given to us, the said financial statements subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:
 - a In so far as it relates to the Balance Sheet of the state of affairs of SAI as at 31st March 2012; and
 - b In so far as it relates to Income & Expenditure Account of surplus for the year ended on that date.
