ANNEXURE

S. No.	EOI Document Reference (s) (Clause No. / page)	Content of EOI requiring clarification	Points of Clarification	Clarification
1.	Clause 4.1 (3) of the Eligibility Criteria	"In case of company/LLP, the average profit as per Companies Act or share profit as per the LLP Act before tax should be Rs. 5 crore for last three years. Audited Financial Statements/ Certificate from statutory auditors to be furnished."	It is to be noted that being a new entity incorporated on 31st May 2017, we do not fulfill the criteria of being able to provide audited financial statements for three financial years.	The relevance of the financial statements is the criteria of Rs. 5 crore that has been highlighted in Clause 4.1 (3). The financial documents are needed only to verify the same. If a party is able to meet the eligibility criteria, SAI has the authority to accept that entity even if the entity has been in existence for 2 years' and accept their 2 years' balance sheet/ audited accounts.
